

# Where to Park Extra Vendor Vehicles

- Since only 1 car may park on each rented space, other vehicles should exit the market before 9 a.m. and park as illustrated above.
- **Vendors may not park any personal, employee's, or relative's vehicle in the Shopper Parking** lots at any time but may enter at the Windmill Entrance and park additional vehicles east of the cemetery. Parking is free all day Friday. Vendor parking on Saturday and Sunday is \$5 until 3 p.m. and free after 3 p.m.
- Assigned Parking spaces within the market are for Mall and Enclosed Building vendors only.
